Dubna, 13 March. The visit to Dubna of the Rosnanotech delegation headed by its General Director A. Chubais

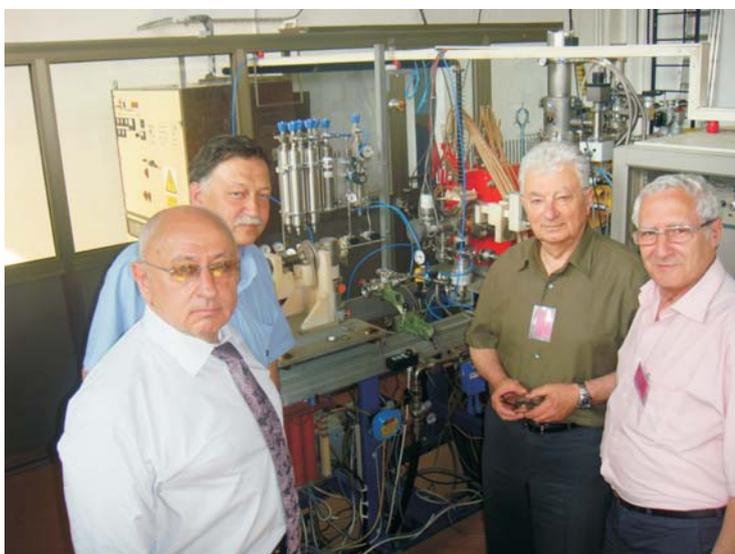

Dubna, 30 March. A delegation of the State Administration of the People's Republic of China on foreign experts affairs at the JINR Directorate

Dubna, 23 April. Attache on Science and Technology of the Embassy of France in Russia M. Tararine (right) on a visit to JINR. At the Flerov Laboratory of Nuclear Reactions

Belgrade (Serbia), May.
 JINR Director Academician
 A. Sissakian, Professor A. Dobrosłavič,
 FLNR Scientific Leader Academician
 Yu. Oganessian, and JINR Vice-Director
 Professor M. Itkis at the Vinča Institute

Dubna, 10 June. Signing of the Agreement on academic exchange between JINR and the scientific postgraduate courses of Tokyo University for 2009–2014

Dubna, 6 July. President of the Atomic Energy Agency of the Republic of Poland Michael Waligórski (centre) and Ambassador of the Republic of Poland to RF Jerzy Bahr (right) on a visit to JINR

Dubna, 3 August. Science and Technology Adviser of the Embassy of India in RF Sandjeev Kumar Varshney (centre) on a visit to JINR

Dubna, 27 May. Egyptian delegation headed by Director of the Tabbin Institute for Metallurgical Studies (Cairo) Doctor Mohamed Hamal Halifa (right) on a visit to JINR

Dubna, 22 May. ISTC delegation headed by Executive Director A. van der Meer on a visit to JINR

Dubna, 4 June. President of the Pugwash Committee Ambassador J. Dhanapala is awarded the JINR Honorary Medal

Dubna, 29 May. Science and Technology Advisers of the Embassies of EU Members on a visit to JINR

Dubna, 10 June. Delegation of the State Foundation of Natural Sciences of the People's Republic of China headed by Vice-President Professor Shen Vencin (centre)

Dubna, 11 September. A delegation of Indian scientists headed by Professor V. Sahni (fourth from right, the first row) on a visit to JINR

Dubna, 24 November. The second meeting of the Working Group on the elaboration of a draft of the Interstate Purposeful Programme of Innovation Cooperation among CIS countries

Astana (Kazakhstan), 19 November. Signing of the Agreement on joint training of Bachelors and Masters in nuclear physics between JINR and the Gumilev Eurasian National University

Dubna, 17–18 December. The constitutive forum «International Innovation Centre for Nanotechnology of CIS Countries (IICNT CIS): Status and Prospects»

Dubna, 18–19 December. Presidium of the Italy–Russia round-table discussion «Efforts in Fundamental Research and Perspectives for Applied S&T and Business Development»

Dubna, 28 November. First Deputy Chairman of the RF Federation Council A. Torshin accompanied by Adviser to Chairman of the RF Accounts Chamber pilot-cosmonaut Yu. Baturin and Adviser to the Rosnauka Leader K. Pavlov on a visit to JINR

Veksler and Baldin Laboratory of High Energy Physics, 9 December. RF Minister of Economic Development Eh. Nabiullina visits JINR

Dubna, 20 January. International Scientific Symposium «Mendeleev Periodic Table. The New Superheavy Elements»

Dubna, 7–8 April. Participants of the meeting of the RAS Scientific Council on electromagnetic interactions
«Electromagnetic Interactions of Relativistic Nuclei and Hadrons»

Dubna, 1 July. The opening ceremony of the organizational-informational forum
«Establishment of the International Innovation Centre for Nanotechnology of CIS Countries»

Bogoliubov Laboratory of Theoretical Physics, 9 September. The 4th round-table discussion «Physics at the NICA Collider»

Dubna, 11 October. Meeting of the JINR–CERN Cooperation Committee

Sochi, October. Participants of the International Symposium «Exotic Nuclei — EXON 2009»

Dubna, 18 March. Participants of the memorial seminar dedicated to the centenary of the birth of Marian Danysz

Dubna, 10 October. Meeting of the European Committee for Future Accelerators (R-ECFA)

Dubna, 7 October. Participants of the meeting on new projects of the NuSTAR collaboration in the framework of the FAIR programme (GSI, Germany)

Laureates of the Prize of the Government of the Russian Federation in science and technology in 2008 P. Apel and Yu. Denisov

Dubna, 27 May. Ceremonial opening of the memorial plaque to Fedor Shapiro

Dubna, 26 March.

Presentation of the Dubna teachers' contest Diplomas to its laureates on the occasion of the JINR Foundation Day
